

## Summer Academy 2023

Avilla Christian is currently enrolling students for our Summer Academy program. Summer Academy is open to students who are 3 years old by June 1, 2023, through those entering 4th grade. Students must also be potty trained with minimal to no accidents.

This year's Summer Academy session will begin Monday, June 12st, and run through Friday, August 4th. We will be closed on Monday, July 3rd and Tuesday, July 4th for the holiday weekend. It will be open 7:00 to 5:30. Ms. Kelley, Ms. Georgie, Ms. Anne, and Ms. Frances will be the lead teachers this summer along with a few other familiar faces.

We are planning on having several on campus events such as zoo visits, a magician, AR Game and Fish Commission, and several others. Along with these fun activities, we will also have daily reading time, worship, exercise, academic lessons, arts and crafts, and so much more. We will help the students focus on problem solving skills, friendships, responsibility, leadership, critical thinking, and Christian character.

There are three attendance options: full time (4-5 days per week), part time (3 days per week), or part time (2 days or less). We staff our teachers each day according to registration numbers so, if your child is attending part time, it MUST be the same days each week all Summer or preset days determined at the beginning of the Summer. Each family will have one week of vacation available to take off equivalent to their average weekly tuition.

Tuition is \$140 a week, for full time (4-5 days a week), and \$90 for part time (3 days) and \$70 (2 days or less). There will be no daily drop-ins allowed unless you pay the weekly part-time fee since this takes up a spot in our ratio whether your child attends or not.

To save your child a spot in Summer Academy, we must have a completed Summer Academy Registration form (this is separate from the school year forms) and the NON-REFUNDABLE Summer Academy deposit of \$75. Additionally, before your child may begin, we must have your child's completed registration packet and a copy of your child's current shot record or proof of exemption. There will be a \$10 per week discount for the full-time weekly amount for students who are enrolled ACA students.

Registrations may be turned into your child's teacher, or Mrs. Maggie. Thank you for sharing your children with us!

Bruce Schrader, Principal
